S. C. R. No. 10.

Whereas, The white Democrats of Texas have for many years undertaken to control their own party affairs with reference to who may participate in precinct, county and state conventions and who may vote in primary elections to nominate their candidates for public office; and

Whereas, The white Democrats of Texas, through their own party organization, have finally succeeded in controlling their own party affairs so that now only white Democrats have been permitted to participate in Democratic conventions and primary elections; and

Whereas, The negro can no longer participate in the Democratic primaries in Texas and cannot force upon the white Democrats of Texas political recognition along with white Democrats; and

Whereas, The white Democrats of Texas and the white Democrats of all Southern States look with favor upon the adoption by the National Democratic Executive Committee of such rules, regulations and requirements as will prevent negroes from being recognized or seated as delegates to the National Democratic Convention in 1936; and

Whereas, A grave situation confronts the Democratic Party, espe-

cially in the Southern States, in that the negroes have in the past, and will in the future, demand equal political recognition along with white Democrats with respect to being recognized and seated as delegates to the next National Democratic Convention; now, therefore, be it

Resolved by the Senate of Texas, the House of Representatives concurring, That it is the sense of the white Democrats of Texas that the negro should not be recognized or seated as delegates in the National Democratic Convention to be held in 1936, and as the representatives of the Democratic Party in Texas, we appeal to the National Democratic Executive Committee of the Democratic Party to promulgate such rules, regulations and conditions as will prevent the seating of negro delegates at the next National Democratic Convention; and, be it further

Resolved That it is the sense of the white Democrats of Texas that regardless of the place to be selected as the next Convention City, it would be unwise for the convention to recognize the negro as a delegate to the convention.

Sec. 2. There is hereby appropriated the sum of Seventy-five Thousand (\$75,000.00) Dollars, or so much thereof as is necessary, to increase the salaries of the employees in all State Eleemosynary Institutions of the State of Texas as follows: Ten (10%) per cent on the salaries from One (\$1.00) Dollar to Fifty-one (\$51.00) Dollars; Five (5%) per cent on salaries from Fifty-one (\$51.00) Dollars to Seventy-six (\$76.00) Dollars; Three (3%) per cent on salaries from Seventy-six (\$76.00) Dollars to One Hundred (\$100.00) Dollars; all salaries to be increased under this appropriation for employees of the Texas State Eleemosynary institutions as stated above in every case where no increase was allowed by the Appropriations Bill in the Regular Session of the Forty-fourth Legislature.

These appropriations, made for the purpose of supplementing the current maximum salary appropriations of certain officers and employees of certain State Eleemosynary institutions, shall be paid subject to the approval of the State Board of Control and subject to all of the general provisions effective for the biennium ending August 31, 1937, now controlling and directing the manner and method of paying State-appropriated salaries of officers and employees at the State Eleemosynary Institutions, with the exception that the amounts herein appropriated are to be used to supplement salaries for the positions herein named and itemized, and the further exception that such supplemental salary appropriations herein made for the fiscal year ending August 31, 1936, shall be paid in ten equal monthly installments, beginning with the month of November, 1935, and such amounts for the fiscal year ending August 31, 1937, shall be paid in twelve equal monthly installments. It is the purpose of this Act to supplement salaries of the Superintendents and Physicians hereinbefore listed in such manner that the same salary schedule as existed during the fiscal year ended August 31, 1933, shall be in effect from November 1, 1935, until September 1, 1937.

Sec. 3. If any section, sentence, clause, or part of this Act shall, for any reason, be held invalid, such de-

cision shall not affect the remaining portions of this Act, and it is hereby declared to be the intention of the Legislature to have passed each sentence, section, clause, or part thereof, irrespective of the fact that any other sentence, section, clause, or part thereof may be declared invalid.

Sec. 4. The fact that the appropriations made and provided for the fiscal years of the current biennium did not provide increases in salaries for the officers and employees of the State Eleemosynary Institutions, except in several isolated instances, as were provided and appropriated for the higher educational institutions, state departments and other agencies of the government, and the fact that several of the State hospitals cannot obtain a sufficient number of capable physicians at the present appropriated low salaries for these positions, creates an emergency and an imperative public necessity, requiring the Constitutional Rule that bills be read on three several days, be suspended, and the same is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

HOUSE CONCURRENT RESOLUTION.

Whereas, The Live Stock Sanitary Commission of Texas during the months of August, 1925, to May

1926 established a quarantine in Galveston, Harris and Brazoria Counties, Texas, during which time no crops were permitted to be moved, harvested or sold within the quarantine areas and no milk was permitted to be sold in said areas, and

Whereas, During the period of said quarantine the premises of Mrs. Nina R. Wiegand, wife of Henry J. Wiegand, were quarantined from the 5th of September 1925, to the 1st day of January 1926, during which time no milk was permitted to be sold from said premises and no crops were permitted to be gathered therefrom, and the said Mrs. Nina R. Wiegand lost in value of milk not permitted to be moved or sold a sum estimated to be \$1920.00, and lost in the value of cultivated hay crop not permitted to be gathered a sum estimated to be \$220.00, and

Whereas, Said losses were caused by said quarantine which quarantine was enforced by the Live Stock Sanitary Commission of Texas and which quarantine was enforced for the benefit of the Dairy and Cattle Industry of the State of Texas at large, and

Whereas, No compensation has been made to the said Mrs. Nina R. Wiegand for the loss of such crops and of the milk and the milk products hereinabove referred to, and

Whereas, At no time during said quarantine did any case of the hoof and mouth disease develop in any of the cattle belonging to the said Mrs. Nina R. Wiegand; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring, That the said Nina R. Wiegand, joined by her husband, be and they are hereby granted permission to bring suit against the State of Texas in a court of competent jurisdiction, in Travis County, Texas, to determine what compensation she is entitled to receive by reason of loss in milk, and milk products in the value thereof, and hay and the value thereof, incurred by virtue of the quarantine established by the Live Stock Sanitary Commission on her premises during the months of August 1925 to May 1926, and in case such suit be filed service of citation or other necessary process may be had upon the Attorney General with the same force and effect as is made and provided in civil suits.

The crowded condition of the calendar and the importance of the subject matter of this resolution create an emergency and an imperative public necessity, requiring the suspension of the constitutional rule that all bills be read on three separate days in each House, and said rule is hereby suspended and this resolution shall take effect from and after its passage, and it is so enacted.

On motion of Senator Holbrook the conference committee report on H. C. R. No. 12 was adopted by unanimous consent.

H. C. R. No. 24.

The Chair laid before the Senate the following resolution:

H. C. R. No. 24, Suspending Joint Rule No. 11 and all other Joint Rules of the House of Representatives and the Senate for the purpose of considering, until final disposition, H. B. No. 143.

Points of Order.

Senator Rawlings raised the point of order that the resolution was out of order as the bill (H. B. No. 60) on which the resolution would suspend the rules had not yet been reported out of committee.

Senator Small called for H. B. No. 60.

Points of Order.

Senator Rawlings raised the point of order that the bill had not been acted upon by a committee of the Senate nor had the report been sent up to the Senate, and requested the Chairman of State Affairs Committee to bring in the minutes of the meeting of the Committee on State Affairs.

Senator Hornsby raised the point of order that the request of Senator Rawlings was out of order as the Senate could not go behind the committee report.

The Chair overruled the point of order.

Senator Hornsby sent up the following point of order:

Senator Rawlings called upon the Chairman of the Committee on State Affairs to produce his minutes showing the action of said committee on H. B. No. 60.

Mr. President: I raise the point of order against the demand of Senator Rawlings, because you cannot go behind or question the report of a Senate committee on any bill which has been referred to the particular committee and a written report thereon duly presented to the Senate.

HORNSBY.

The Chair asked the Chairman of the State Affairs Committee whether or not there was a quorum present at the committee meeting which voted the bill out.

A BILL

To Be Entitled

An Act creating the Leon River Flood Control District, a conservation and reclamation district, to be a governmental agency, body politic and corporate; prescribing and limiting the powers, rights, privileges, functions, and liabilities of such District, and prescribing the manner of their exercise; making an appropriation; declaring the Act to be severable; and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. There is hereby created within the State of Texas, in addition to the districts into which the State has heretofore been divided, (but subject to the grants and powers heretofore conferred on the Brazos River Conservation and Reclamation District), a conservation and reclamation district to be known as the "Leon River Flood Control District" (hereinafter called the District) and consisting of that part of the State of Texas which is in-

cluded within the counties of Eastland and Callahan. Such District shall be and is hereby declared to be a governmental agency and body politic and corporate, (and subject to the grants and powers heretofore conferred on the Brazos River Conservation and Reclamation District), with the powers, rights, privileges and functions hereafter specified, and the creation of such District is hereby declared to be essential to the accomplishment of the purposes of Section 59, of Article 16, of the Constitution of the State of Texas, including (to the extent hereafter authorized) the control, storing, preservation, and distribution of the waters of the Leon River and its tributaries, above and adjacent to the town of Mangum, Texas, for the purpose of protecting the lives and property of the inhabitants of the territory affected by the Leon River, its tributaries, and the streams to which it is a tributary, and in addition the reclamation, conservation, draining and irrigation of lands within the District. Nothing in this Act or in any other Act or law contained, however, shall be construed as authorizing the District to levy or collect taxes or assessments, or in any way to pledge the credit of the State.

Sec. 2. In accordance with the limitations and provisions of this Act the District shall have and is hereby authorized to exercise the following powers, rights, privileges, and functions, (subject to the grants and powers heretofore conferred on the Brazos River Conservation and Reclamation District):

(a) To control, store and preserve, within the boundaries of the District, the waters of the Leon River and its tributaries, for the reclamation and irrigation of the lands of the District, and to use, distribute and sell the same, within the boundaries of the District, for any such purpose;

(b) To prevent or aid in the prevention of damage to person or property from the waters of the Leon River and its tributaries;

(c) To forest and reforest and to aid in the foresting and reforesting of the watershed area of the Leon River and its tributaries, and to prevent and to aid in the prevention of soil erosion and floods within said area;

(d) To acquire by purchase, lease, gift, or in any other manner (otherwise than by condemnation) and to maintain, use and operate any and all property of any kind, real, personal or mixed, or any interest therein, within or without the boundaries of the District, necessary or convenient to the exercise of the powers, rights, privileges and functions conferred upon it by this Act;

(e) To acquire by condemnation any and all property of any kind, real, personal or mixed, or any interest therein, within or without the boundaries of the District (other than such property or any interest therein without the boundaries of the District as may at the time be owned by any body politic) necessary or convenient to the exercise of the powers, rights, privileges and functions conferred upon it by this Act, in the manner provided by General Law with respect to condemnation or, at the option of the District, in the manner provided by the statutes relative to condemnation by Districts organized under General Law to Section 59, of Article 16, of the Constitution of the State of Texas;

(f) Subject to the provisions of this Act from time to time sell or otherwise dispose of any property of any kind, real, personal or mixed, or any interest therein, which shall not be necessary to the carrying on of the business of the District;

(g) To overflow and inundate any public lands and public property and to require the relocation of roads and highways in the manner and to the extent permitted to Districts organized under General Law pursuant to Section 59, of Article 16, of the Constitution of the State of Texas;

(h) To construct, extend, improve, maintain and reconstruct, to cause to be constructed, extended, improved, maintained and reconstructed, and to use and operate, any and all facilities of any kind necessary or convenient to the exercise of such powers, rights, privileges and functions;

(i) To sue and be sued in its corporate name;

(j) To adopt, use and alter a corporate seal;

(k) To make by-laws for the management and regulation of its affairs;

(l) To appoint officers, agents and

employees, to prescribe their duties and to fix their compensation;

(m) To make contracts and to execute instruments necessary or convenient to the exercise of the powers, rights, privileges and functions conferred upon it by this Act;

(n) To apply for and accept grants from the United States of America, or from any corporation or agency created or designated by the United States of America, and to ratify and accept applications heretofore made by voluntary associations to such agencies for grants to construct, maintain, or operate any project or projects which hereafter may be undertaken or contemplated by said District;

(o) To do any and all other acts or things necessary or convenient to the exercising of the powers, rights, privileges or functions conferred upon it by this Act or any other Act or law, provided, however, that none of the powers hereby granted shall ever be construed so as to authorize any act or power in conflict with any valid, rule, regulation, and/or by-law of the Brazos River Conservation and Reclamation District.

Sec. 3. The powers, rights, privileges and functions of the District shall be vested in and exercised by a Board of nine (9) Directors (hereafter called the Board), all of whom shall be residents of and freehold property taxpayers in the State of Texas; each County within the District shall be represented at all times on the said Board by a member of said Board residing at the time of his appointment within such county, and provided that at least four of such Directors shall be residents of the same county. Each of the Directors shall be appointed by the Governor, by and with the consent of the Senate, and shall hold office for a term of six (6) years; of the Board first appointed, however, three members shall serve for a term of two years; three members for a term of four years, and three members for a term of six years, and upon the expiration of their respective terms their successors shall be appointed for a term of six years. Each Director shall qualify by taking the official oath of office prescribed by law.

Sec. 3-a. The powers and duties herein devolved upon the said Dis-

district shall be subject to the continuing rights of supervision by the State, which shall be exercised through the State Board of Water Engineers, and in appropriate instances, by the State Reclamation Engineer, each of which agencies shall be charged with the authority and duty to approve or to refuse to approve, (subject to their respective jurisdiction) the adequacy of any plan or plans for flood control or conservation improvement purposes devised by the District for the achievement of the plans and purposes intended in the creation of the District, and which plans contemplate improvements supervised by the respective State authorities under the provisions of the General law.

Sec. 4. The Board shall select a Secretary who shall keep true and complete records of all proceedings of the Board. Until the appointment of a Secretary, or in the event of his absence or inability to act, a secretary pro tem. shall be selected by the Board. The Board shall also select a General Manager, who shall be the chief executive officer of the District, and a Treasurer, who may also hold the office of Secretary. All such officers shall have such powers and duties, shall hold office for such term and be subject to removal in such manner as may be provided in the by-laws. The Board shall fix the compensation of such officers. The Board may appoint such officers, agents, and employees, fix their compensation and term of office and the method by which they may be removed, and delegate to them such of its powers and duties as it may deem proper.

Sec. 5. The monies of the District shall be disbursed only on checks, drafts, orders or other instruments, signed by such persons as shall be authorized to sign the same by the by-laws or resolution concurred in by not less than five Directors. The General Manager, the Treasurer, and all other officers, agents and employees of the District who shall be charged with the collection, custody or payment of any funds of the District shall give bond conditioned on the faithful performance of their duties and an accounting for all funds and property of the District coming into their respective

hands, each of which bonds shall be in form and amount and with a surety (which shall be a surety company authorized to do business in the State of Texas), approved by the Board, and the premiums on such bonds shall be paid by the District and charged as an operating expense.

Sec. 6. The domicile of the District shall be in the City of Eastland, County of Eastland, where the District shall maintain its principal office, in charge of its General Manager. The District shall cause to be kept complete and accurate accounts conforming to approved methods of bookkeeping. Said accounts and all contracts, documents and records of the District shall be kept at said principal office. Said accounts and contracts shall be open to public inspection at all reasonable times. The Board shall cause to be made and completed within ninety days after the end of each calendar year, an audit of the books of account and financial records of the District for such calendar year, such audit to be made by an independent Certified Public Accountant or firm of Certified Public Accountants. Copies of a written report of such audit, certified to by said accountant or accountants, shall be placed and kept on file with the Board of Water Engineers, with the Treasurer of the State of Texas, and with the Board of Directors of the Brazos River Conservation and Reclamation District, and at said principal offices, and shall be open to public inspection at all reasonable times.

Sec. 7. No Director, officer, agent or employee of the District shall be directly or indirectly interested in any contract for the purchase of any property or construction of any work by or for the District, and if any such person shall be or become so interested in any such contract, he shall be guilty of a felony and on conviction thereof shall be subject to a fine in an amount not exceeding Ten Thousand Dollars (\$10,000.00) or to confinement in the county jail for not less than one year nor more than ten years, or both.

Sec. 8. Any and every indebtedness, liability or obligation of the District, for the payment of money, however entered into or incurred, and whether arising from contract,

implied contract or otherwise, shall be payable solely (1) out of revenue received by the District and not held in trust by virtue of any prior lien or agreement, or (2) if the Board shall so determine, out of any fund received by the District from grants or loans made to the Districts by the United States Government or corporation or agency created or designed by it. And, provided further that no act of the District and/or act of the directors of said District shall ever create or impose any obligation on the Brazos River Conservation Reclamation District, nor shall the Brazos River Conservation Reclamation District ever be held liable for any debt and/or obligation of the District herein created; nor shall the District hereby created ever be held liable or responsible for any acts or obligations of the Brazos River Conservation and Reclamation District or any other district.

Sec. 9. The District Board herein established is only for the purpose of administering the affairs of the District hereby created, which said District is a subdivision of the Brazos River Conservation and Reclamation District, and the Board's authority shall extend only to the counties in such District; Their acts and powers, however, shall never conflict with the general powers heretofore granted to the Brazos River Conservation and Reclamation District.

Sec. 10. There is hereby appropriated for the use of the District out of any funds in the State Treasury not heretofore otherwise appropriated the sum of Three Thousand (\$3,000.00) Dollars which may be withdrawn from time to time on vouchers signed by the General Manager and Treasurer of the District, upon which the State Comptroller shall draw his warrant upon the Treasury of the State of Texas; amounts withdrawn shall be repaid into the State Treasury out of the first revenues of the District from whatever source derived.

Sec. 11. If any provision of this Act or the application thereof to any person or circumstances shall be held to be invalid, the remainder of this Act, and the application of such provision to other persons or circumstances, shall not be affected thereby.

Sec. 12. The importance of this

legislation to the section of the State affected thereby and the fact that the District must act promptly if it is to avail itself of the opportunity of receiving a grant from the Federal Emergency Administration of Public Works creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days be and the same is hereby suspended, and that this Act shall take effect and be in force from and after its passage, and it is enacted.

Message From the Governor.

The Chair recognized the Doorkeeper, who introduced a messenger from the Governor with the following message:

Executive Department,

Austin, Texas, Oct. 15, 1935.

To the Forty-fourth Legislature in First Called Session:

Today automatically brings to an end the first called session of this Legislature.

Several days ago it became apparent that, due to the congested condition of the calendar and the magnitude of the problems voted on August 24th, you would not be able to enact a workable old age pension law with revenues to support same during the remainder of this first called session. In justice to you and to the people I consider it imperative to call you immediately into a second called session.

I have this day issued a proclamation, copy of which is attached, convening the Legislature into extraordinary session tomorrow, October 16, 1935, at 12 o'clock noon. I ask that this proclamation be read along with this message in order that each member of the Legislature may be personally advised as to the convening of such special session.

Respectfully submitted,

JAMES V. ALLRED,
Governor of Texas.

Read.

Proclamation by the Governor of the State of Texas.

To All to Whom These Presents Shall Come:

On August 24, 1935, the people of Texas voted to change the Constitu-

tion of Texas by adopting a new Section to be known as Section 51-B, authorizing the Legislature, under certain limitations, to provide for old age assistance, not to exceed \$15.00 per month each, to bona fide citizens of Texas over the age of 65 years.

On September 16, 1935, the Legislature of Texas was called in special session for the purpose, among other things, of carrying out the will of the people by providing a system of old age pensions and revenues to support same. Other important matters voted by the people were also incorporated in the call, however, and several days ago it became apparent that the Legislature would not be able at the first called session to enact an old age pension statute and provide revenues for same.

The first called session of the Forty-fourth Legislature automatically expires today, and I consider it my duty in justice to the people and members of the Legislature, to call another special session to carry out the expressed mandate of the people in regard to old age pensions.

Now, Therefore, I, James V. Allred, Governor of the State of Texas, by virtue of the authority vested in me by the Constitution and laws of this State, hereby call the

Second Special Session

of the Forty-fourth Legislature, to be convened in the City of Austin, commencing at 12 o'clock noon on Wednesday, the 16th day of October, A. D., 1935, for the following purposes:

1. To provide, under such limitations and restrictions and regulations as may be deemed by the Legislature expedient, for old age assistance and for the payment of same not to exceed \$15.00 per month each to actual bona fide citizens of Texas who are over the age of 65 years, and in all things to carry out the will of the people as expressed by the adoption of House Joint Resolution 19, which provided for an amendment to Article 3 of the Constitution of Texas by adopting a new Section to be known as Section 51-B.

2. To provide necessary revenue for such old age assistance.

3. To consider and act on such other subjects of public importance as the Governor may, from time to time during the session, submit by message.

In testimony whereof, I hereto sign my name and cause to be impressed hereon the Seal of the State of Texas at Austin, this the 15th day of October, A. D., 1935.

JAMES V. ALLRED,
Governor of Texas.

Be it enacted by the Legislature of the State of Texas:

Section 1. That the sum of Seven Thousand Five Hundred (\$7,500.00) Dollars, or so much thereof as may be necessary, be and the same is hereby appropriated out of any moneys in the State Treasury not otherwise appropriated, for the purpose of reroofing the Governor's Mansion of Texas, and for making such general repairs thereon as may be necessary; and for repairing, improving and re-furnishing the Executive Reception Room in the State Capitol, Austin, Texas, as may be necessary. Said expenditures shall be made under the direction of the State Board of Control and the expenditures to be made in connection with the Executive Reception Room may include painting, plastering, upholstering, carpets, draperies and any contingencies necessary in generally rehabilitating and restoring said room.

Sec. 2. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any money in the State Treasury not

otherwise appropriated for the purpose of paying the salaries and expenses of Inspectors of the Motor Transportation Division of the Railroad Commission.

Sec. 3. There is hereby appropriated out of the County and Road District Highway Fund the sum of Twenty-five Hundred (\$2,500.00) Dollars for the year ending August 31, 1936, and the further sum of Twenty-five Hundred (\$2,500.00) Dollars for the year ending August 31, 1937, to be used for the payment of necessary rent and other miscellaneous contingent office expenses, for the Board of County & District Road Indebtedness. Said sums above described shall be in addition to any and all other appropriations heretofore made for the above Board.

Sec. 4. There is hereby appropriated out of the General Revenue Fund the sum of Seven Thousand Five Hundred (\$7,500.00) Dollars, for the purpose of supplementing a currently available appropriation made by the Forty-fourth Legislature, as shown on Page No. 872 of the Printed General Laws of the Regular Session of said Legislature, for constructing and equipping teachers' and employees' living quarters on top of the present one-story dining room-kitchen building at the State Orphans Home, Corsicana, Texas.

Sec. 5. The fact that the Governor's Mansion is badly in need of reroofing and repairing, and the fact that the Executive Reception Room in the State Capitol Building is in such state of dilapidation as to make it impracticable for use as a reception room, and the further fact that the funds appropriated by the Regular Session of the Forty-fourth Legislature for the purpose of constructing and equipping teachers' and employees' living quarters at the State Orphans Home, at Corsicana, Texas, are insufficient; and the fact that there are no appropriations now out of which to pay necessary rent and other miscellaneous and contingent expenses for the Board of County & District Road Indebtedness; and the further fact that an error occurred in the general appropriation bill passed by the Forty-fourth Legislature, Regular Session,

for Inspectors of the Motor Transportation Division, create an emergency and an imperative public necessity, requiring the Constitutional Rule that bills be read on three several days, and the Constitutional rule requiring bills to take effect ninety days after adjournment of the session, be suspended, and said rules are hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

Be it enacted by the Legislature of the State of Texas:

Section 1. This Act may be cited as the "Texas Liquor Control Act."

Sec. 2. This Act shall be deemed an exercise of the police power of the State for the protection of the welfare, health, peace, morals, temperance and safety of the people of the State, and all its provisions shall be liberally construed for the accomplishment of that purpose.

Sec. 3 (a). The term "open saloon" means any place where any liquor containing alcohol in excess of four per cent by weight (except wines that do not contain alcohol in excess of 17% by weight) is sold or offered for sale in broken or unsealed containers or any place where any such liquor is sold or offered for sale for human consumption on the premises where sold or offered for sale, except where such sale or offer of sale is made by the holder of a vendor's permit and in strict accordance with the regulations hereinafter imposed upon the holders of vendor's permits. In no event shall liquor be sold by the holder of a vendor's permit that is of a type or of an alcoholic content that is illegal in the area where his place of business is located.

(b) Any person, whether as principal or agent or employee, who shall operate or assist in operating or who shall be directly or indirectly interested in operating any open saloon in the State shall be deemed guilty of a misdemeanor and upon

conviction shall be punished by fine of not less than One Hundred Dollars (\$100.00) nor more than One Thousand (\$1,000.00) Dollars, or by imprisonment in the county jail for not more than one year. Any person who is twice convicted under the provisions of this section shall for the second and all subsequent offenses be punished by fine of not less than One Hundred Dollars (\$100) nor more than One Thousand Dollars (\$1000), and by confinement in the county jail for not less than thirty days nor more than one year.

(c) Whenever the word liquor is used in this Act it shall mean and refer to any liquor containing alcohol in excess of four (4) per cent by weight unless otherwise indicated.

Sec. 4. Unless otherwise herein expressly excepted it shall be unlawful for any person to manufacture, sell, possess for the purpose of sale, import into this State, or transport any alcohol or any liquor. Unless the exceptions hereinafter made to this section are clear and specific they shall not obtain in favor of any person with respect to any prohibited act and they shall be strictly construed for the accomplishment of this purpose. It is further expressly provided that any rights or privileges that are granted herein to any person as exceptions to the prohibitions contained in this section shall be enjoyed and exercised only in the manner provided by this Act.

Sec. 5. It shall be unlawful for any person to manufacture, sell, possess for the purpose of sale, import into this State, or transport liquor in wet areas or dry areas without first having obtained a permit or without first having complied with all other terms and provisions of this Act; provided however that the prohibition contained in this section against the transportation of liquor shall not apply to a person who has purchased such liquor for his own consumption and is transporting the same from a place where the sale thereof was lawful and to a place where its possession by him is lawful; provided further, that the

prohibition contained in this section against the importation and transportation of liquor shall not apply to a person who is bringing into this State not more than two (2) quarts of liquor for his own personal use.

Sec. 7. There is hereby created the Division of Liquor Control as a division in the office of the Tax Commissioner of the State of Texas. The Division shall be headed by the Tax Commissioner. The Commissioner, for the additional duties herein imposed, shall receive for his services compensation at the rate of \$1800.00 per annum, together with actual and necessary traveling expenses while engaged in the performance of his duties away from the seat of government.

The Commissioner shall appoint an Administrator who shall serve at the Commissioner's pleasure and who shall have power and authority when so authorized by the Commissioner to discharge the duties and exercise the powers of the Commissioner. The Administrator shall receive a salary not exceeding \$5,000.00 per annum.

The Commissioner shall appoint all necessary officers, attorneys, clerks, stenographers, inspectors, auditors, chemists, experts, and employees to properly enforce the provisions of this act, all of whom shall serve at his pleasure. No person shall be eligible for any appointment who has any connection whatever with any person engaged in or conducting any liquor business of any

kind, or who holds stock or bonds therein, or who has any pecuniary interest therein, nor shall any such person receive any commission or profit whatever from, or have any interest whatsoever in the purchases or sales made by persons authorized by this act to manufacture, purchase, sell or otherwise deal in the liquor business.

The Administrator shall act as manager, secretary and custodian of all records unless the Commissioner shall otherwise order, and shall perform such other duties as the Commissioner may prescribe.

The Administrator shall devote his entire time to said office and shall give a surety bond for the faithful performance of his duties in such form as the Commissioner may prescribe and in an amount of not less than \$10,000.00. The Commissioner shall fix the duties, salaries and wages of all employees authorized by this act but such compensation, salaries and wages shall not be greater than the salaries fixed for similar positions and duties in other departments of the State government. The salaries herein authorized shall not continue in effect beyond the effective date of the general appropriation bill of the Forty-fifth Legislature. The Commissioner shall likewise have power to require any employee to give bond for the faithful performance of his duties in such an amount as he may deem adequate.

It shall be the duty of the Commissioner, during the month of January of each year, to make a report to the Governor concerning his administration of this act, and including a statement of the revenues derived herefrom, together with a detailed statement of the expenses incurred by the Division, and further, a list of recommendations designed to strengthen the enforcement hereof.

The Commissioner is authorized and directed to prescribe such rules and regulations as may be necessary to carry out his powers and duties, and to amend or repeal the same.

The soliciting and procuring of an endorsement of any member of the Legislature for appointment to any position under this act shall disqualify the person receiving such endorsement from holding the position.

Sec. 8. Among others, the functions, powers, and duties of the Commissioner shall include the following:

(a) To control the manufacture, possession, sale, purchase, transportation, importation and delivery of liquor in accordance with the provisions of this Act, and make all necessary rules and regulations to fully and effectually accomplish such purpose.

(e) To exercise all other powers, duties and functions conferred by this act, and all powers incidental, convenient or necessary to enable it to administer or carry out any of the provisions of this act.

(f) To require that any liquor sold in this State shall conform in all respects to the advertised quality and quantity of such products.

(g) To license, regulate and control the use of alcohol and liquor for scientific, pharmaceutical and industrial purposes, and to provide by regulation for the withdrawal thereof from warehouses and denaturing plants and to prescribe for the manner in which the same may be used for scientific research for hospitals and sanatoriums, in industrial plants, and for other manufacturing purposes tax free.

Sec. 9. All rules and regulations of the Commissioner shall be promulgated by publication in at least five (5) newspapers (such newspapers being published in representative areas of the State) published in the State for three (3) consecutive days; and by posting the same for five (5) successive days in a prominent place at his office and by mailing a copy of the said rules and

regulations to the County Clerk of each county in the State where the sale of liquor is authorized, for record. Such rules and regulations shall become operative when the certificate of the Administrator as to such publication, posting and mailing shall have been filed in the office of the Commissioner and the filing of such certificate shall be prima facie evidence that this section has been complied with.

Sec. 10. The Commissioner, the Administrator and any special examiner or inspector under the direction of the Commissioner, shall, for the purposes contemplated by this Act, have power to issue subpoenas, compel the attendance of witnesses, administer oaths, certify to official acts, take depositions within or without the State of Texas, as now provided by law, and compel the production of pertinent books, accounts, records, documents and testimony.

If a witness in attendance before the Commissioner or one of his authorized representatives refused, without reasonable cause, to be examined or to answer a legal and pertinent question, or to produce a book, record or paper when ordered to do so by the Commissioner, the Commissioner may apply to the Judge of the District Court of any county where such witness is in attendance, upon proof by affidavit of the fact, for a rule or order returnable in not less than two (2) nor more than five (5) days, directing such witness to show cause before the Judge who made the order, or any other District Judge of said county, why he should not be punished for contempt; upon the return of such order the Judge before whom the matter shall come on for hearing shall examine under oath such witness or person, and such person shall be given an opportunity to be heard; and if the Judge shall determine that such person has refused, without reasonable cause or legal excuse, to be examined or answer a legal or pertinent question, or to produce a book, record or paper which he was ordered to bring or produce, he may forthwith punish the offender as for contempt of court.

Subpoenas shall be served and witness fees and mileage paid as in civil cases in the District Court in

the county to which such witness shall be called. Witnesses subpoenaed at the instance of the Commissioner shall be paid their fees and mileage out of funds herein provided.

Sec. 11. No person shall import into this State any liquor from any source unless a permit be first obtained from the Commissioner and any person so purchasing or importing liquor in violation of this section shall be subject to the penalties hereinafter provided. In addition to the penalties hereafter provided, any person violating the provisions of this section shall forfeit the liquor so imported to the Commissioner as herein provided.

Sec. 12. It shall not be necessary in any information, complaint or indictment to negative any exception contained in this Act concerning any prohibited Act; provided however, that any such exception made herein may be urged as a defense by any person charged by such complaint, information or indictment.

Sec. 13. Every applicant for a brewer's distiller's rectifier's, wholesaler's, beer and wine wholesaler's, or package store permit under this Act shall give notice of such application by publication for once a week for two consecutive weeks in a newspaper of general circulation and regularly published in the city or town in the county in which applicant's place of business is located, or if such applicant's place of business is not located in a city or town wherein there is a qualified newspaper, then such notice may appear in any newspaper in the county. In any county in which no qualified newspaper is published, the notice shall be published in a qualified newspaper published in the closest neighboring county. Such publication shall constitute a notice to all parties desiring to protest the granting of such permit upon any of the grounds upon which the Commissioner may refuse to grant an application for a permit. Such notice shall set forth the grounds of objection contained in subdivision (b) to (i) inclusive of Section 14 of this Act. Each of such notices shall be published in no less than 18-point type. The Commissioner may require of every applicant for a permit the recommendation in writing of the County Judge of the county of

his residence and he shall take such recommendation into consideration before granting or refusing such license. The Commissioner shall have authority to issue temporary permits for periods not exceeding ninety (90) days immediately following the passage of this Act, but not thereafter.

Sec. 14. The Commissioner shall refuse to issue a permit to any applicant if he has reasonable grounds to believe any of the following to be true:

(f) That the applicant is not a citizen of the United States or of this State, or is incompetent or physically unable to carry on the management of the establishment proposed to be licensed.

(g) That the applicant has been convicted of violating any of the liquor laws of this State, general or local, including the provisions of this Act, or of any rule or regulation promulgated in pursuance hereof, or has been convicted at any time of a felony.

(h) That the applicant has maintained a noisy, lewd, disorderly or unsanitary establishment.

(i) That applicant has ever engaged in the business of importing, manufacturing, transporting or selling liquor in violation of the laws of Texas.

(j) That there is any other reason which, in the opinion of the Commissioner, based on general welfare, health, peace, morals and safety of the people, warrants his refusal to grant such permit.

Sec. 15. The Commissioner shall cancel or suspend after notice and hearing any such permit granted if he finds or has reasonable ground

to believe any of the following to be true:

(a) That the permittee has violated any provision of this act or acts amendatory thereof or any rule or regulation of the Commissioner adopted pursuant thereto.

(b) That the permittee had made any false representations or statements to the Commissioner in order to induce or prevent action by the Commissioner.

(c) That the permittee is not maintaining an acceptable bond.

(d) That any retail permittee is acting as an agent of a manufacturer or wholesaler of alcoholic liquors, or has borrowed money or property or accepted gratuities therefrom, or has any connection therewith.

(f) That the permittee is insolvent or incompetent or physically unable to carry on the management of his establishment.

(g) That the permittee is in the habit of using liquor to excess or habit-forming drugs.

(h) That the permittee knowingly has sold liquor to persons under twenty-one years of age, to persons known to be drunkards, or to persons visibly intoxicated at the time of sale.

(j) That the permittee, since the granting of his permit, has been convicted of a felony, or had been guilty of violating any of the liquor laws of this State, general or local, including provisions of this Act, or any rule or regulation promulgated in pursuance of this act.

(k) That there is any other reason which, in the opinion of the Commissioner, based on the general welfare, health, peace, morals and safety of the people of this State, warrants cancelling or suspending such permit.

The governing authorities of any city or town or the Commissioners Court of any county shall have power to institute proceedings for the revocation or suspension of any permit granted hereunder. Such proceedings may be instituted by the filing of a complaint with the Com-

missioner, and it shall be the duty of the Commissioner to forthwith hear the same in accordance with the terms of this Act.

Notice of cancellation or suspension, stating the reason therefor, shall be served upon the permittee, or upon whatever person may be in charge temporarily, or otherwise, of the licensed premises, or shall be affixed to the outside of the door of the licensed premises, or shall be sent by United States registered mail addressed to the permittee at the licensed premises, and said cancellation notice shall be published by the Commissioner once a week for three consecutive weeks in the county in which the licensed premises are located, or if no newspaper is published in said county, in a newspaper in a neighboring county. Cancellation or suspension shall take effect upon the affixing, service, delivery, or first publication of such notice. Such affixing, service or delivery or publication of a cancellation or suspension shall be adequate notice to all parties concerned. The publication or posting of such notices shall be privileged.

In the event of resort to any court from an order of cancellation or suspension in whatever from the proceedings may be brought, it shall in no wise act as a supersedeas of the order of cancellation or suspension. The permit so cancelled or suspended shall so stand pending the termination of the proceedings. No refund or permit fees shall for any reason be made by the Commissioner.

All notices, orders, records and publications authorized or required by the terms of this Act shall be privileged. It is further provided that the certificate of the Commissioner or the Administrator concerning any rule or regulation or other order promulgated under the terms hereof shall be prima facie evidence of the validity thereof, and the same shall be admissible as evidence in all courts in this State.

Sec. 16. Any permit granted under this Act shall be a purely personal privilege, good for the year in which issued, and ending on August 31st of each year at 12 o'clock midnight, and revocable for the causes herein stated, subject to appeal as hereinafter provided, and shall not constitute property, nor

shall it be subject to attachment or execution, nor shall it descend by the laws of testate or intestate devolution, but shall cease upon the death of the licensee; provided, that the Commissioner may, by regulation, provide for the time and manner in which the successor in interest of any deceased, insolvent or bankrupt licensee may dispose of any liquors left on hand by the licensee.

Sec. 17. And in the event of any person being aggrieved by any decision, rule or order of the Commissioner, such person shall have the right of an appeal therefrom to the District Court of the county in which a decision, rule or order in such case would become effective, said suit to be against the Commissioner alone as defendant, and such suit shall be tried *denovo*, and be governed by the same rules as other suits in said court, and during the pendency of such suit the order of the Commissioner may be suspended by interlocutory order of the court pending a hearing on the merits. Such cause shall be tried before the Judge of such court within ten (10) days after the docketing of the cause, or at the earliest possible time after such ten (10) day period, in the event the Judge is not able to try such cause within such ten day period.

Nor shall anything contained herein prevent or prohibit bona fide or chartered schools, colleges or universities from obtaining alcohol for scientific or laboratory use. Such businesses and institutions shall keep such records of sales and purchases as may be required by regulations issued in pursuance of this section.

Sec. 37. When the Commissioners Court, of their own motion or upon the petition provided for, shall order an election as herein provided for, it shall be the duty of said court to order such election to be held at the voting places within such subdivision or county upon a day not less than ten (10) nor more than twenty (20) days from the date of said order, and the order thus made shall express the object of such election and shall be held to be prima facie evidence that all the provisions necessary to give it validity or to clothe the court with jurisdiction to make it valid, have been duly complied with, provided that said court shall appoint such officers to hold such elections as is now required by law for general elections.

Sec. 38. The Clerk of said court shall post or cause to be posted at least one copy of said order in each election precinct in such political subdivision or county affected, for at least six (6) days prior to the day of election, which election shall be

(c) The Commissioners Court of each county in the State, whenever they deem it expedient, may order an election to be held by the qualified voters of any area which constituted a justice precinct, incorporated city or town, which had voted to prohibit the sale of intoxicating liquors within the boundaries of said

area under any local option law in force prior to the adoption of Section 20 of Article XVI of the Constitution as the same was amended in 1919, for the purpose of determining whether or not the sale of liquors of the various types and alcoholic contents herein defined shall be legalized within such area; it shall be the duty of said court or order an election within said area when as many as fifty qualified voters of said area shall so petition said court; said election shall be held in conformity with the provisions of this act, and the commissioners court shall designate the officers of election and places of election within said area; the order of election shall describe said area by metes and bounds. In the event any such area shall vote to legalize the sale of liquors within the boundaries of said area, then and in that event said area shall thereafter be governed by the laws pertaining to the sale of intoxicating liquors within the city, town, justice precinct or county in which that area is located.

Sec. 40. evidence that all the provisions of law have been complied with in giving notice of and holding said election and counting and returning the votes, and declaring the results thereof.

Sec. 42. The order of said court declaring the result and prohibiting the sale of any liquor shall be published by the posting of said order at three (3) public places within the county or the political subdivision in which the election was held, which fact shall be entered by the County Judge on the minutes of the commissioners' court. An entry thus made or a copy thereof certified under the hand and seal of the Clerk of the Court shall be prima facie evidence of such posting.

Sec. 43. If a majority voting at such election vote for the sale of liquor of any type or types and alcoholic contents the Court shall make an order declaring the results and have the same entered of record in the office of the Clerk of said court, whereupon it shall be lawful in such political subdivision to manufacture, sell and distribute such liquor in accordance with the terms of this Act until such time as the qualified voters therein may thereafter, at a legal election held for that purpose by a majority vote, decide otherwise, and the order thus made shall be held to be prima facie evidence that all the provisions of law have been complied with in giving notice of and holding said election and counting and returning the votes and declaring the results thereof. It shall be the duty of the County Clerk, within three (3) days after the results of any such election have been declared to certify such results to the Secretary of State at Austin.

Sec. 44. The Commissioners Court shall have the power upon its own motion or upon petition as herein provided to order local option elections for the purpose of determining whether liquor of the various types and alcoholic contents herein provided shall be legalized or prohibited.

When such issue is submitted the ballot shall be worded as follows: "For the sale of liquors in unbroken packages only" and "Against the sale of liquor in unbroken packages only."

If a majority of the votes cast be in favor of prohibiting the sale of liquor to unbroken packages only it shall not operate as a restriction upon the sale of vinous and malt beverages that do not contain alcohol in excess of four per cent by weight, in the event the sale of such beverages be legal in the area where any such election shall be held; nor shall such vote operate as a restriction upon the sale of any vinous or malt liquor that does not contain alcohol in excess of 14% by volume.

(c) The word "beer" as hereinafter used in this Act and for the purposes of this Act shall mean beer containing one-half ($\frac{1}{2}$) of one per cent (1%) or more of alcohol by volume and not more than four per centum (4%) of alcohol by weight.

Sec. 2. (a) Beer can be manufactured, sold and distributed in barrels, kegs, bottles and other containers.

(b) As a standard of measure the word "barrel" shall mean a container containing thirty-one (31) standard gallons.

Sec. 3. (a) A "manufacturer" is hereby defined to be any person licensed to manufacture or brew beer and to distribute and to sell same to others in the original package.

(b) A "general distributor" is hereby defined to be any person licensed to distribute or to sell beer to local distributors, retail dealers and/or others in the original package.

(c) A "local distributor" is hereby defined to be any person licensed to sell and distribute beer to retail dealers and ultimate customers in the county of his residence in unbroken packages not to be consumed on the premises where sold.

(d) A "retail dealer" is hereby defined to be any person licensed to sell beer in bottles and from kegs, barrels or other containers to the ultimate consumer.

(e) A "general distributor" shall procure the primary license in the county of his domicile or residence, and if he desires to establish any place of business in any other county, he shall present his license secured from the county of his residence to the tax collector of such County together with a license fee of Fifty Dollars (\$50.00) and it shall be the duty forthwith of such Tax Collector to issue a license for such general distributor in such county.

(f) A distributor, local or general, may maintain necessary warehouses, for storage purposes only, from which delivery may be made without such warehouses being licensed.

(g) "Person" shall include any

corporation, partnership, association and person or group of persons.

Sec. 4. It shall be unlawful for any person to manufacture or brew for the purpose of sale or to sell or distribute any beer without first having applied for and secured a license as required by this Act.

Sec. 5. Before any license required by this Act shall be issued the license fee required therefor shall be paid to the County Tax Collector of the county where such license is issued for the use and benefit of the General Fund of the State of Texas. Annual fees required for license authorized by this Act shall be as follows:

| (b) For a general distributor | 200.00 |
| (c) For a local distributor..... | 50.00 |
| (d) For a license authorizing the sale of beer by retail dealer for consumption on or off the premises where sold | 25.00 |
| (e) For license authorizing the sale of beer by retail dealer in the original container direct to the consumer, but not for resale, and not to be consumed on the premises where sold | 10.00 |

(f) All licenses issued under the terms of this Act shall terminate at midnight on the thirty-first day of December of each year and no license shall be issued for a longer term than one year. On or before the first day of January 1936 and annually thereafter each and every person owning a license issued under the terms of this Act may by written application filed with the Tax Collector of the county of his residence, not more than thirty (30) days prior to the first day of January, renew such license so held by him. Such application shall be in writing, signed by the applicant and contain full and complete information as to the business to be conducted and all other information as set out and required in the original application upon which such original license was issued, accompanied by a fee of Two Dollars (\$2.00), which said sum of Two Dollars (\$2.00) shall be in

addition to the amounts in this Act addition to the amounts in this Act required to be paid for annual licenses, as a renewal fee charge. Such sums so paid as renewal fee charges shall be retained by the respective County Tax Collectors as fees of office and be so accounted for by them respectively. Upon the presentation of such application for renewal of license, together with the sums required by this Act for an annual license, plus the said renewal fee of Two Dollars (\$2.00), it shall be the duty of the County Tax Collector to forthwith issue such renewal license upon the form to be prescribed by the Commissioner; provided, however, that no applicant for a license under the terms of this Act shall be required to pay at any one time more than the annual fees required for licenses hereunder; but such applicant shall always be required to pay such fees in advance and if such license so sought is for a portion of a year only, then the fee required to be paid for the issuance of such license shall cover the period of time from the date of such license to midnight of the thirty-first day of December following, and only such proportionate part of such annual license fee as required under the terms of this Act as the period of time between the date of such license and the thirty-first day of December following bears to the calendar year shall be required to be paid by such applicant.

(g) No manufacturer, general distributor, local distributor or retail dealer shall carry on such business at more than one place under the same license, but a separate license must be obtained for each place of business, nor shall any such license be voluntarily assigned more than once, but before assignee of such license can engage in business thereunder he or they shall comply with the provisions of this Act as required by original licensee and provided further that the sale of such license, whether in the name of the original licensee or assignee, may be made under execution or mortgage and the purchaser of such license in such sale shall have the right to surrender such license to the State or County which issued the tax receipt which is the basis thereof and shall receive therefor the pro rata unearned portion of such license

provided that should said original licensee or his assignee desire to change the place designated in said license he may do so by applying to the County Judge as in the case of the original application for license as provided in this Act.

(h) The Commissioners Court of each County in this State shall have the power to levy and collect from every person that may be licensed hereunder in said county a license fee equal to one-half ($\frac{1}{2}$) of the State fee; and where any such license fee is assessed in any incorporated city or town, said city or town shall have the power to levy and collect a license fee not to exceed one-half ($\frac{1}{2}$) of the State fee, but no other fee or tax shall be levied by either. But nothing shall be construed as preventing the levying, assessing, and collecting general ad valorem taxes on the property of the said persons, individuals, partnerships or corporations so licensed.

(i) Every license issued prior to the effective date hereof to any manufacturer, general distributor, local distributor or retail dealer, shall remain in force for the period of time that it would have been in force without the passage of this Act, provided, however, that the power and authority heretofore granted to the State Comptroller for the enforcement of Chapter 116, and the duties imposed upon him are hereby transferred to the Division of Liquor Control herein created; and provided that the schedule of license fees provided in sub-sections (d) and (e) of this Section 5 shall not be effective until January 1, 1936.

Sec. 6. (a) There is hereby levied and assessed a tax at the rate of Seventy-five Cents (75c) per barrel on all beer sold, stored or distributed in this State or imported into this State. On imported beer the duty of paying said tax and affixing and cancelling the tax stamp as required under this Act shall rest primarily on the importer, and it is hereby declared to be unlawful to import beer into this State unless said tax has first been paid and the tax stamp evidencing such payment has been first affixed and cancelled as required by this Act.

It is the intention of this Section to impose upon all persons importing beer into this State the duty of paying said tax and affixing said

stamp as required by this Act before said beer is imported into the State. Provided, however, if it should be determined that this subsection imposes an undue burden on interstate commerce and for that reason is invalid, then, it is hereby declared to be the legislative intent, nevertheless, to levy and collect the tax at the rate herein prescribed upon all beer sold, stored or distributed in this State, or imported into this State, and the duty of paying this tax shall rest upon the first person selling, storing or distributing said beer in this State; provided, further, however, that the tax herein prescribed shall be paid but one time.

No manufacturer, however, shall be required to affix any stamps on any container of beer to be transported out of this State while same is stored in any brewery where same is brewed.

It shall be unlawful to transport to destinations in this State any beer upon which said tax has not been paid.

(b) Said tax shall be paid and evidenced by placing stamps as hereafter provided in the denomination required on each original barrel, keg, box, carton or other container in which beer in bulk or in bottles is packed; provided, however, that such container shall not contain more than the content of one (1) barrel of beer; and provided further that at the time such stamp is affixed the person affixing the same shall by indelible ink or stamp cancel said revenue stamp by placing the date and his or its full name or initials on said revenue stamp.

(c) Provided further that if at the time said beer is received in this State, said stamps, as required by this Act, have already been affixed and/or dated and initialled, the person receiving the same shall be relieved therefrom, but he shall not be relieved from dating or initialing the same if no initial or date appears on said stamp upon receipt of said beer.

(d) Said stamp shall be placed on each barrel, keg, carton, box or other container upon which the stamp is required to be affixed in such way that such container cannot be conveniently and practically opened without mutilating or defacing said stamp. Every person opening any

such container upon which a stamp has been placed shall at the time mutilate or otherwise deface such stamp so that the same cannot be used again.

(e) No bottled beer shall be stored in this State unless the same be in a container, unless the same is exposed for sale or is being cooled for sale, except when the same is legally in the possession of the ultimate consumer; nor shall any beer be stored or sold in this State except to the ultimate consumer, unless the same is packaged or contained in a container properly stamped.

(f) If any person has paid the tax on any container of beer by affixing stamps thereon, and thereafter said beer is shipped out of Texas for consumption, a claim for refund may be made on paying a fee of Five Dollars (\$5.00) to the Commissioner at the time and in the manner prescribed by him. So much of said fund as may be necessary not to exceed two per centum (2%) thereof is hereby appropriated for such purpose. Said officer may promulgate rules and regulations generally for the enforcement of this Act.

Sec. 7. It is the purpose and intent of this Act to require the tax to be paid and the stamp evidencing the same to be affixed on the first sale, distribution, storage or transportation and at the source, to the end that it will preclude any person evading the payment of this tax, and so as to relieve as nearly as possible the consumer and retail dealer from having to affix said stamps.

Sec. 8. (a) It shall be the duty of the State Treasurer to have engraved or printed the stamps necessary to comply with this Act and to sell same to all persons upon demand and payment therefor, and one-half ($\frac{1}{2}$) of the proceeds of such sale shall be placed to the credit of the State Available School Fund and one-half ($\frac{1}{2}$) to the General Fund, and the State Treasurer shall be responsible for the custody and sale of such stamps and for the proceeds of such sales under his official bond. Such stamps shall be of such design and denomination as the State Treasurer shall from time to time prescribe and shall state the amount of tax, the payment of which is evidenced thereby, and shall contain the words "Texas State Tax Paid."

(b) The sum of Ten Thousand Dollars (\$10,000.00) or so much thereof as may be necessary, is hereby appropriated out of the General Fund with which to pay the costs of providing such stamps. All appropriations of monies authorized by the Forty-Fourth Legislature, Regular Session, 1935, for enforcement of the provisions of Chapter 116, Acts Regular Session, Forty-Third Legislature, by the Comptroller of Public Accounts, are hereby transferred and made available for expenditure by the Commissioner in the enforcement of this Chapter as amended.

Sec. 9. (1) It shall be unlawful for any manufacturer or distributor directly or indirectly or through a subsidiary or affiliate, any agent or any employee, or by any officer, director, or firm member:

(a) To own any interest in the business of any retail dealer in beer, or own any interest of any kind in the premises in which any such retail dealer conducts his or its business.

(b) To hold (after the expiration of any existing licenses) the ownership or any interest in any license to sell brewery products for consumption on the premises covered by such license, except the license of manufacturers to dispense their own products on the brewery premises.

(c) To furnish, give or lend any money or other thing of value, or to extend unusual credit terms, to any person engaged in selling brewery products for consumption on the premises where sold, or to any person for the use, benefit or relief of said person engaged in selling as above or to guarantee the repayment of any loan or the fulfillment of any financial obligation of any person engaged in selling as above. The extension of credit for longer period of time than is generally extended to regular customers of a manufacturer or distributor covering the purchase of brewery products from such manufacturer or distributor shall be deemed unusual credit terms.

(d) To make or enter into any agreement or contract, the effect of which will amount to the shipment or delivery of brewery products on consignment. "Consignment," as here used, means the delivery of products under an arrangement whereby the person receiving such

products has the right at any time prior to sale to relinquish possession to or return them to the shipper, and whereby the title to such products remains in the shipper.

(e) To furnish, give, rent, lend or sell any equipment, fixtures or supplies to any person engaged in selling brewery products for consumption on the premises where sold. This sub-section does not apply to such equipment, fixtures or supplies furnished, given, loaned, rented or sold prior to the effective date of this Act, except that such transactions made prior to this date are not to be used as a consideration for an agreement thereafter made respecting the purchase of brewery products; provided, that equipment, fixtures or supplies furnished, given, rented, loaned or sold to any person engaged in selling brewery products for consumption on the premises where sold, prior to the effective date of this Act, when removed from the premises of such person or repossessed by any manufacturer or distributor of brewery products, or by his agents or employees, shall not again be furnished, given, rented, loaned or sold to any person engaged in the sale of brewery products for consumption on the premises where sold.

This sub-section shall not apply to the practice of furnishing carbonic acid gas or tapping accessories, such as rods, vents, hose, washers, couplings, taps, vent tongues, and check valves to persons engaged in selling brewery products for consumption on the premises where sold, when a charge is made for such carbonic acid gas in accordance with the reasonable open market value thereof in the locality where furnished, and if the aggregate cost to any one person of all tapping accessories herein enumerated furnished to him by such manufacturer or distributor in any twelve months' period does not exceed five dollars for each tapping unit used in dispensing brewery products purchased from such manufacturer or distributor.

(f) (1) To furnish, give, lend, rent or sell any interior decorations or signs costing the manufacturer or distributor collectively more than Twenty-five Dollars (\$25.00) in any one calendar year, or to furnish, give, lend, rent or sell any sign or

signs for outside use, costing the manufacturer or distributor collectively more than Five Hundred Dollars (\$500.00) in any one calendar year, to any person engaged in selling brewery products, for use in or about or in connection with any one establishment in which brewery products are sold for consumption on the premises where sold; (2) to pay money or other thing of value for the privilege of placing or painting a sign on the premises occupied by anyone selling brewery products for consumption on the premises where sold. This sub-section shall not apply to valid existing contracts for the loan or rental of signs or space for the painting or erection of signs, made prior to the effective date of this Act, but shall apply to prevent the renewal or continuance of any such contract at or after its termination; provided, that any such signs when removed from the premises of such person or repossessed by any manufacturer or distributor of brewery products, or by his agents or employees, shall not again be furnished, given, loaned, rented or sold to any person engaged in the sale of brewery products for consumption on the premises where sold.

(g) To pay or make any allowance to any buyer for a special advertising or distribution service (1) Unless in pursuance of a written contract defining the service to be rendered and the payment therefor; and (2) unless such service is rendered and the payment is reasonable and not excessive in amount; and (3) unless such contract is separate and distinct from any sales contract; and (4) unless such payment is equally available for the same service to all competitive buyers in the same class in the same trade area.

(h) To offer any prize, premium, gift, or other similar inducement, except advertising novelties of nominal value, to any dealer in or consumer of brewery products.

(i) To publish or disseminate or cause to be published or dissipated by radio broadcast, or in any newspaper, periodical or other publication or by any sign or outdoor advertisement or any other printed or graphic matter, any advertisement of any brewery product, if such advertisement causes, or is reasonably calculated to cause deception of the

consumer with respect to the product advertised. An advertisement shall be deemed misleading if it is untrue in any particular or if directly or by ambiguity, omission, or inference, it tends to create a misleading impression. Any advertisement of alcoholic content of any brewery product or any advertisement disparaging of a competitor's products, or that is obscene or indecent, shall be unlawful.

(j) To sell or otherwise introduce into commerce any brewery product that is misbranded. A product is misbranded:

(1) If it is misbranded within the meaning of the Food and Drug Acts.

(2) If the container is so made, formed or filled as to mislead the purchaser, or if its contents fall below the recognized standards of fill.

(3) If it misrepresents the standard of quality of product in the branded container.

(4) If it is so labeled that it purports to be any product other than is actually in the container.

(k) To require, by agreement or otherwise, that any retailer engaged in the sale of brewery products shall purchase any such products from such person to the exclusion, in whole or in part, of the products sold or offered for sale by any other person engaged in the manufacture or distribution of brewery products, or to require the retailer to take and dispose of a certain quota of any such product.

(l) To give or permit to be given money or anything of value in an effort to induce agents, employees, or representatives of customers or prospective customers to influence their employers or principals to purchase or contract to purchase brewery products from the maker of such gift, or to influence such employers or principals to refrain from dealing or contracting with competitors.

(m) It shall be unlawful for any manufacturer to accept as a return or to purchase or use a hogshead, barrel, half-barrel, keg, case or bottle permanently branded or imprinted with the name of another manufacturer.

(n) To Manufacture or sell or otherwise introduce into commerce in this State any brewery product unless it bears a label showing in

plain, legible type the name and address of the manufacturer, or the name of the distributor for whom any special brand is manufactured, the brand or trade name, and the net content of the bottle in terms of United States liquid measure; or to manufacture or sell or otherwise introduce into commerce in this State any beer or container or dispensing equipment, carton or case for beer bearing a label or imprint which by wording, lettering, numbering or illustration, or in any other manner carries any references or illusion, or suggestion to the alcoholic strength of the product or to any manufacturing process, ageing, analysis or scientific matter of fact, or upon which appears any such words or combination of words, or abbreviations thereof, as "strong", "full strength", "extra strength", "high test", "high proof", "pre-war strength", "full old-time alcoholic strength", or any words or figures or other marks or characters alluding or relating to "proof", "balling" or "extract" contents of the product, or which bears a label that is untrue in any particular or which directly or by ambiguity, omission or inference tends to create a misleading impression or causes, or is reasonably calculated to cause, deception of the consumer or buyer with respect to the product.

(2) It shall be unlawful for any retail dealer to dispense any draught beer unless such faucet or other dispensing apparatus is equipped with a sign clearly indicating the name or the brand of the particular product being at the time dispensed through such faucet or other apparatus, which sign shall be in legible lettering and in full sight of the purchaser.

(3) Provided, that if any provision of this Section 9 is for any reason held unconstitutional and invalid, such decision shall not affect the validity of the remaining portions, and the Legislature hereby declares that it would have passed this Act and each section, sub-section, provision, sentence, clause or phrase thereof, irrespective of the fact that any provision is declared unconstitutional.

Sec. 10. (a) Any person desiring a license as manufacturer, distributor or retail dealer may in vacation or in term time file a petition

If the application is in behalf of a

corporation, the affidavit shall be by the president, vice-president, secretary or treasurer of such corporation and shall contain a statement that the corporation has not paid, contributed or furnished any money or thing of value to any candidate for any public office in this State since the effective date of this Act, naming the date in the affidavit, and within two (2) years next preceding the making of said application and while engaged in the business of manufacturing sale or distribution of beer. Any person who makes a false affidavit in reference to the matters and things required by this Section, shall be guilty of a felony, and upon conviction shall be punished as now provided by law for having committed the offense of false swearing.

(b) Such manufacturer, distributor or retail dealer desiring to be licensed shall file said petition with the County Judge who shall set same for a hearing at a date not less than five (5) nor more than ten (10) days from the filing of same, and if upon hearing, he finds the facts stated in such petition are true, he shall authorize a license to be granted as prayed for, provided, however, that upon the filing of such petition, the clerk shall first give notice thereof by posting at the courthouse door a written notice of the filing of said petition and a copy of the substance thereof, and such notice of the filing shall state when the petition shall be heard. Said petition may be inspected by any person. Any citizen shall be permitted to contest the facts stated in such petition and the applicant's right to secure license upon giving security for all costs which may be incurred in such suit, should the same be decided in favor of the applicant; provided, however, no county or district attorney shall be required to give bond for such costs but the county or State as the case may be shall be liable therefor.

This shall not apply to prop-

erty of the State which is under lease and being used and occupied by others.

(h) The County Judge of any county after ten (10) days notice and hearing may revoke the license of any licensee of such county;

2. Where the word "saloon" is printed, painted or placed upon the door, window or in any other public place on or about the premises or when the word "saloon" is used in any advertisement by the licensee.

Sec. 14. Any person, other than the State Treasurer or his duly authorized agent who shall print or engrave or directly aid in or cause the printing or engraving of any stamp or stamps evidencing or purporting to evidence the payment of any tax levied by this Act, or who shall use or consent to the use of any counterfeit or unauthorized stamps in connection with the sale or offering for sale of any beer, or shall place or cause to be placed on any container containing or to contain such beer any such unauthorized or counterfeit stamps, or if any person shall knowingly possess any counterfeit stamps or shall counterfeit any license to be used in lieu of the stamps or license as required by this Act, he shall be guilty of a felony and upon conviction be punished by imprisonment in the penitentiary for not less than two (2) years nor more than five (5) years.

Sec. 15. Any person, whether as principal or agent of any firm, corporation or association of persons engaged in the business of manufacturing and selling or in the business of distributing and selling or in the retail business of selling beer under license which does not permit such beer to be opened and consumed on the premises where sold, who shall permit any such beer so manufactured and sold or distributed and sold to be opened and consumed on the premises where sold, shall be guilty of a misdemeanor and upon conviction be punished by a fine of not less than Fifty Dollars (\$50.00) nor more than Five Hundred Dollars (\$500.00).

Sec. 16. In addition to the penal-

ties herein provided, the license of any person convicted of violating any of the provisions of this Act shall be subject to forfeiture in a suit filed by the State for such purpose by reason of such conviction; and no license shall be re-issued to any person whose license for any of such occupations has been revoked or forfeited within one (1) year next preceding the filing of his application for a new license.

Sec. 17. In case the license of any licensee hereunder is forfeited under the provisions of this Act, nevertheless such licensee shall be authorized to sell or dispose of in bulk any stock of beer he may have on hand at the time such license is forfeited.

Sec. 18. It is hereby declared to be lawful to transport beer, as herein defined, from any place in this State, where the sale, manufacture and distribution thereof is authorized by law, to any other place within this State where the same may be lawfully manufactured, sold or distributed; and from the State boundary to any such place, even though in the course of such transportation the route over which the same is being transported may traverse local option territory in which the manufacture, sale and distribution of said beer is prohibited. Provided, however, that any such shipments must be accompanied by a written statement furnished and signed by the shipper showing the name and address of the consignor and the consignee, the origin and destination of such shipment and it shall be the duty of the person in charge of such cargo while it is being so transported to exhibit such written statement to any peace officer making demand therefor, and said statement shall be accepted by such officer as prima facie evidence of the lawful right to transport such beer.

Sec. 19. In all cases where any person pursuing the occupation of selling beer containing not more than four per centum (4%) of alcohol by weight under licenses issued in accordance with the laws of this State has been or shall hereafter be prevented from pursuing such occupation for the full time to which he would be otherwise entitled by reason of the adoption of local option in any county or subdivision thereof

the proportionate amount of license fees paid by him for the unexpired term shall be refunded to him.

Sec. 20. Upon any judgment of the Court that violation of any restraining order or injunction issued hereunder has occurred, such judgment shall operate to cancel, without further proceedings, any license held by the person who is defendant in the proceedings, and no license shall be reissued to any person whose license has been so cancelled, revoked or forfeited, within one (1) year next preceding the filing of his application for a new license. It shall be the duty of the District Clerk to notify the County Tax Collector and the Commissioner of any judgment of a Court which operated hereunder to cancel a license.

Sec. 50. (a) If any section, paragraph, sentence, or phrase of this Act be invalid, then such invalid portion shall not in any way affect the remainder of this Act, and it is hereby declared as the legislative intent that the remainder of this Act would have been passed by the Legislature notwithstanding the invalidity of such section, paragraph, sentence or phrase.

Sec. 50. (b) The fact that the people of Texas have adopted a Con-

stitutional Amendment legalizing the sale of liquor in wet areas as herein defined and the further fact that the traffic of liquor in this State is unregulated at this time, create an emergency and an imperative public necessity that the Constitutional Rule requiring all bills to be read on three several days in each House be suspended, and said rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.
